

A First Guide to Moodle

Step 1: type in search engine: <http://elearn.pi.ac.cy/>

Look for the icon specifying ‘teams for the new curriculum’ (ομάδες Νέων Αναλυτικών Προγραμμάτων) and click on it.

Step 2: Look on the spread sheet for the name of our workshop – ‘Διδασκαλία Αγγλικών Σύμφωνα με τα Νέα Αναλυτικά προγράμματα’ and click on it. You will be asked to log in. Type your first name, dot (full stop) and your surname e.g. eleni.constantinides in the ‘username’ slot. Type the password given to you in the appropriate slot.

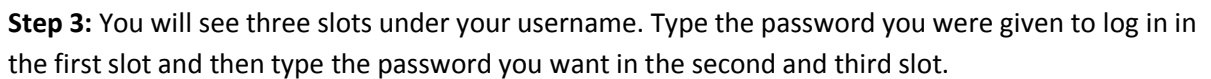

Congratulations! You are now logged in our moodle site.

How to change your password

Step 1: Click on your name at the top right side

The screenshot shows the Moodle interface for a course titled 'Διδασκαλία Αγγλικών Σύμφωνα με τα Νέα Αναλυτικά Προγράμματα'. The top navigation bar includes the course title and a user profile section on the right. A blue arrow points to the user's name 'Ελένη Κωνσταντινίδου' in the top right corner, indicating where to click to access profile settings. The main content area displays the course outline, including a list of resources such as 'My Sample Web Page', 'Uploading of course material', 'My pdf file', 'My Wiki', 'My Forum', 'My Questionnaire', 'Share Activities', and 'Leonardo da Vinci - the 'Universal Man''. The sidebar on the left contains navigation options like 'Settings', 'Course administration', 'Turn editing on', 'Edit settings', 'Users', 'Filters', 'Grades', 'Outcomes', 'Backup', 'Restore', 'Import', 'Reset', 'Question bank', 'Legacy course files', 'Switch role to...', and 'My profile settings'. The bottom of the page shows the system status and a 'Home' button.

Step 2: You will be taken to your profile site. On the top left side you'll see a box with the functions you can do. Go to 'change password'

Step 3: You will see three slots under your username. Type the password you were given to log in in the first slot and then type the password you want in the second and third slot.
